### Ask My Mentor

**ASK MY MENTOR!**

Do you have any questions on the subject matter?

Your Manager has assigned a mentor at your company to assist you. Send them a note - they'll be glad to help!

You do not have a mentor assigned, please check with your company's administrator!

500 characters remaining

If you have been assigned a mentor, you can send an email to your mentor by typing your question in the box. Click the “Submit”  button and your mentor will receive the email. As soon as possible he will get back to you with an answer. Mentoring is an optional component; so if it is “greyed out”, your company has chosen not to use this feature

### Interskill Learning Plans

Interskill Learning has many suggested Learning Plans available. These plans are based on industry specific job roles and functions. To access the learning plans click the “Data Center Organization Chart” button [Data Center Organization Chart](#) located on the MyInterskill LMS Home Page. This is an optional component. Check with your administrator to see if learning plans will be deployed.

**MAINFRAME LEARNING PLAN**

Mainframe Learning Plans provide you with a graphical, defined path of learning activity that lays the foundation for technical competence in your z/OS job role.

Please proceed to the data center org chart and click on your job role (or the job role you aspire to) to view your complete mainframe Learning Path. Save the Adobe Acrobat file or print it off - it's your path to excellence!

### We Want Your Advice!

If you have questions, suggestions or information that makes serving our clients better, please send us a note through our Advice Tool. Enter the information in the white box and click the “Submit”  button.

**WE WANT YOUR ADVICE!**

What courses do you need?

Let us know the legacy systems topic area where you most need training. We are always developing new courses and want to give you and the mainframe computing industry what you need. Your advice is greatly appreciated!

The image will appear when next to a module **not yet** attempted. The image will appear indicating a module **has been** accessed and attempted.

To launch each course module, click on the "Take Module"  button next to each module title.

Once you clicked on the "Take Module" button, you will first see the Datatrain message.

Please click on "here" to continue.

In a separate window you will see a popup window and the module will launch within the new window. The following message will appear, letting you know that the system is recording your results. Click "OK" to continue and follow the instruction to complete the module.

If you do not get the “Welcome Student Name” message, **DO NOT CONTINUE!** Email [support@interskill.com](mailto:support@interskill.com) or access the browser test: <http://www.myinterskill.com/browsertest/browsertest.htm>

You may also access the browser test by selecting “Help” on the menu bar in the LMS and choose “Browser Test” from the drop down menu.

The Browser Test will guide you through the system specific requirements. If you pass all test and still have difficulty when launching a course please contact Interskill’s support department.

By clicking the **Next ▶** button in the right bottom corner of this window you are accessing the course. A Window like this introduces the module of the course:

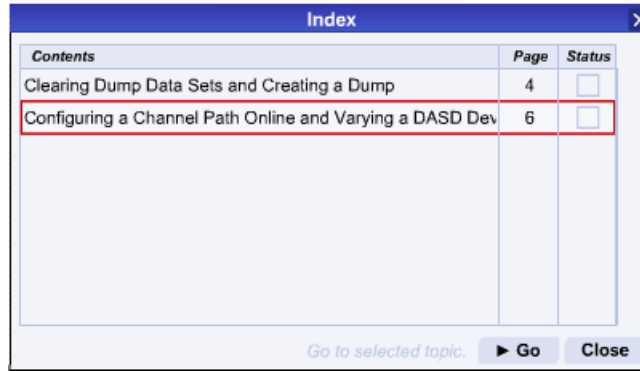

By clicking the **◀ Previous** button in the bottom right corner you can go one page back.

The functions of the tabs in the upper right corner:

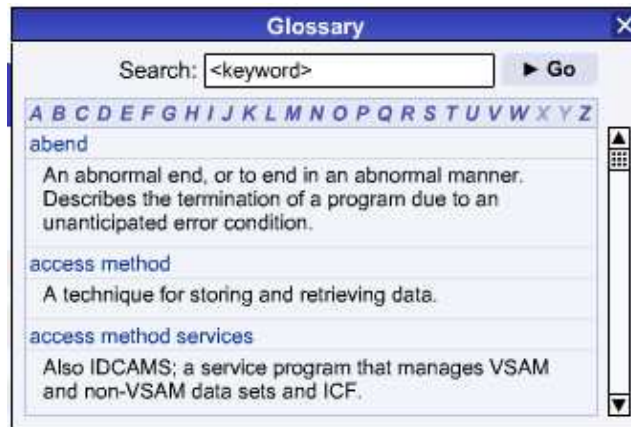

By clicking the **Index** tab a sub- topic content of the accessed module is displayed.

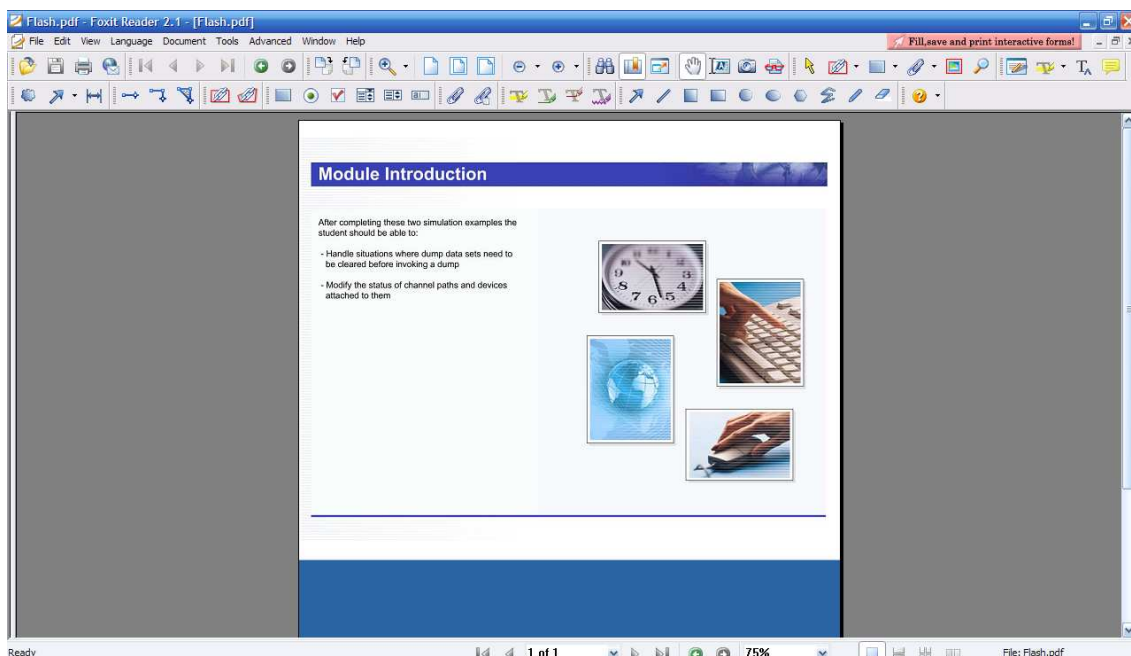

To advance to a desired sub-topic, highlight the topic and click on “Go” in the bottom right corner. This step will take you directly to the sub-topic selected.

The **Glossary** tab will open a glossary of all hyperlinked words in the module. The “Search”-field can be used to identify specific words and definitions. By clicking on the alphabetical letter the window will show all words starting with this letter. The words are hyperlinked (in blue) throughout the module.

The **Print** tab will open your computer’s print dialogue box and print the actual page of the module that is currently open, for example this one is printed as a PDF-document:

When closing out of a course, be certain to use the [Exit](#) tab on the course menu. Do not use the browse to exit, as the data will not be recorded.

---

Bookmarking: When closing out of a course before completion, the LMS will remember where you ended and bookmark your page. The next time you log on to continue with the course it will ask if you want to resume where you left off. By clicking "Yes" the course will resume where you exited last.

After you have completed a module, click on the "Access Courses" button to return to the registered course and module list page in the LMS. One of the following icons will be displayed next to the module you just accessed:

Indicates you have attempted this module, but have either not finished/completed, or have not obtained the required passing score.

Indicates you have either completed/passed the requirements in this module. When you passed/completed all the modules within a course, you have passed/completed that individual course.

The report can be printed by clicking on the  button.

## Assessment Report

You can track your e-Learning assessment history and progress by clicking on the "e-Learning History" button under the "REPORTS" menu section.

A detailed real-time report is generated by the LMS that displays all assessments and modules attempted and/or completed, along with their respective scores and status.

The screenshot shows the Interskill Learning interface. At the top, there is a navigation bar with the Interskill Learning logo and the text "MAINFRAME EDUCATION SOLUTIONS". Below this, there are menu items: HOME, MY COURSES, MY ASSESSMENTS, REPORTS, PROFILE, HELP, and LOGOUT. The main content area is titled "e-Learning History" and includes two buttons: "Open in Excel" and "Print". Below the buttons is a table with three columns: "Assessment Score", "Assessment Name", and "Assessment Status". The table contains one row with the name "Banther, Katja" and the message "There are no assessments completed!". At the bottom of the screenshot, there is a disclaimer: "The information furnished herein is CONFIDENTIAL and is to be used solely for the support of Interskill Learning. This information shall not be duplicated, published, or disclosed in whole, or in part, without the prior written permission of Interskill Learning. Copyright © 2002 - 2008 Interskill Learning. All rights reserved."

You can open the report in Microsoft Excel for further analysis by clicking on the following button:

Report may also be printed directly by clicking on the  **Print** button.

## Certificate of Completion

Once you have successfully completed a course a certificate of completion can be printed for your records. To print a certificate select the e-Learning History report located under the Report tab on the menu bar. Then next to each completed course click [Certificate](#) to display and print a "Certificate of Completion".

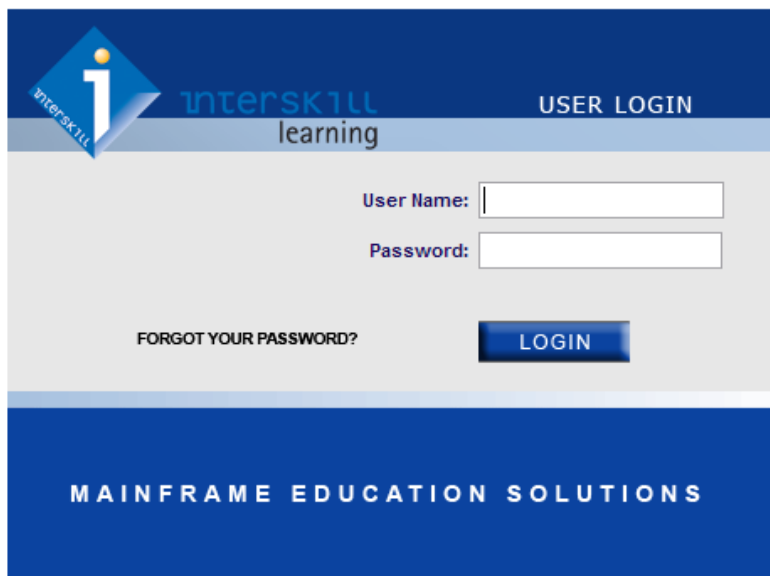

## Logout

### Logout

To log out of the LMS click the "Logout" button under the "SYSTEM" menu section. This step is particularly important when using a public computer to access Interskill Learning LMS.

LOGOUT

After you clicked on "Logout", you will be brought back to the login page.

The screenshot shows the 'USER LOGIN' page of the Interskill Learning LMS. At the top left is the Interskill Learning logo. The page title is 'USER LOGIN'. Below the title are two input fields: 'User Name:' and 'Password:'. To the left of the password field is a link that says 'FORGOT YOUR PASSWORD?'. Below the input fields is a blue 'LOGIN' button. At the bottom of the page, there is a dark blue banner with the text 'MAINFRAME EDUCATION SOLUTIONS' in white capital letters.

**Congratulations!**

**Your training history has been recorded. When re-entering the training you will be prompted to start the module over or to return where you left off.**
